I am a fibre artist and passionate about weaving with flax since I first touched it. My husband taught me raranga harakeke (flax weaving) when I came to New Zealand in 2011, and in 2016 I gained the National Certificate in Maori Art(raranga).

I feel privileged to be able to learn about Māori culture through weaving and speaking and I am looking forward to meeting you and sharing my knowledge of this beautiful art with you.

Ko koe kī tēna, ko ahau kī tēnei kiwai o te kete (by working together we move forward)
