

# Raranga Harakeke Intensive with Birgit Moffatt

## Description

This course is an opportunity to learn to weave with harakeke on a more intense level. It's part of the winter program at Tutere Gallery and Creative Space. It is suitable for total beginners and for people who have a basic knowledge (i.e. have previously attended my beginner workshop) and want to delve deeper into the art of mahi raranga. The workshop is spread over a period of two months, which gives students the chance to practice in between classes. To ensure the best possible learning outcome for akonga (students) the number is limited to 6-8 students.

## Course Content

During the course we will

- harvest and prepare harakeke
- boiling and storing harakeke
- dyeing harakeke
- weaving kono and konae (1. weekend)
- weaving kete (2-4<sup>th</sup> weekend)

Tikanga, history and te reo relevant to mahi raranga are also included, as the foundation to when mahi raranga is in practice.

After finishing the course there will be a small display and celebration at the gallery.
