

# Bark Stitch Workshop with Birgit Moffatt

28 November 2020 10am – 4pm

Create your own bark artwork!

## Description

Bark is a wonderful material to work with. It's a very tactile and relaxing experience. Together we will dye our silk thread naturally with locally available leaves. While the silk is dyeing in the pot you will have enough time to test drilling and creating your design. You will use a Dremel for your sewing pattern and after some kai you will get right into the stitching.

I will give you some finishing and mounting advice also.

All materials are included in the workshop fee, tools provided.

Bring your camera or pen and paper for notes if you wish

Where: Fibre Studio  
Ōtaki Gorge

Cost: \$ 120

Kai: please bring your own lunch, refreshments provided

Booking: [birgitmoffatt@gmail.com](mailto:birgitmoffatt@gmail.com)
