

Looping & Weaving Workshop with Birgit Moffatt

21 November 2020

Workshop 1 10am – 12am

Learn the versatile technique of wire looping! We are going to wrap small rocks with thin wire, creating a little taonga. This is a very meditative and tactile process. This is a fun technique that will allow you further exploration of materials.

Kai Time 12am – 1pm

Workshop 2 1pm – 3.30pm

In the afternoon we will weave a small vessel, using ivy and harakeke. I will explain about harvesting techniques and I will explain some tikanga when working with harakeke. This technique can also be a starting point in using other materials for vessel making.

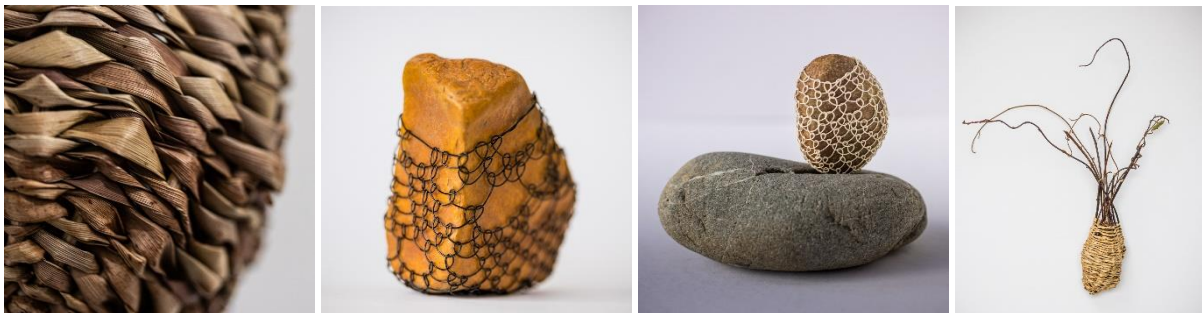

You have the choice between booking one workshop or both.

All materials are provided in the workshop fee.

Bring your camera or pen and paper for notes if you wish

Where: Fibre Studio
Otaki Gorge

Cost: \$ 90 for both workshops or \$ 50 for one
Kai: please bring your own lunch, refreshments provided
