

Creative Leaf Stitch Morning with Birgit Moffatt

Sunday, 6 March 2022 9.30am – 12.00am

Immerse yourself in the art of working with nature by stitching on leaves. I will guide you through a couple of ways to create your ephemeral artwork, for example how you can turn a flat leaf into a sculpture, mending leaves and a few basic but very effective stitches.

This workshop will stimulate your creativity and give you endless options to explore leaf stitching further!

No sewing skills needed.

All materials are covered in the workshop fee, morning tea is provided! You are welcome to bring your own leaves and threads if you like. More details will be sent out closer to the date.
