

Looping Workshop with Birgit Moffatt

23 January 2021 9.30am – 12.30am

Spent a relaxed Sunday morning with me to learn the versatile technique of wire looping! We are going to wrap a small rock with thin wire, creating a little taonga. This is a very meditative and tactile process. Looping is a fun technique that will allow you further exploration of materials. Be aware – danger of addiction!

All materials are covered in the workshop fee, morning tea is provided!
