

Pods and Vessels

Beginners Wet Felting Workshop

26 April 10am-4pm

what you get

- learn the origins of felt making
- understand basic felt making techniques hands - on
- make a felt vessel/pod using a resist

This workshop is suitable for absolute beginners who are interested in making three dimensional objects. After this day you will be able to create your own pods/vessels with different resists. Included is a handout with more valuable information (suppliers, books, instructions)

All materials and tools are provided. Please bring:

- whatever you use for taking notes
- an old towel
- an empty plastic bottle with a pump opening, one you can easily squeeze
- merino wool (optional)

Where: 32 Parenga Road
Ōtaki Gorge

Cost: \$ 160 (\$20 worth of merino wool is included in the fee)
please bring your own lunch, refreshments provided

Booking: birgitmoffatt@gmail.com
